

The benefits of joining NAPA

- An above market comparable, secure salary.
- Flexible work scheduling.
- Freedom to move within NAPA's organization of clinical locations — on either a moonlighting or permanent basis —with fully portable benefits and seniority.
- Generous vacation allotments which increase with longevity.
- Signing bonuses, bonuses for experienced CRNAs and education loan repayment bonuses for recent graduates, plus annual longevity, holiday and performance bonuses, too.
- Pension plan contribution with an optional 401(k) plan.
- Insurance coverages, many fully paid, including malpractice, health, life and short- and long-term disability.
- Medical and dependent care flexible spending program.
- Generous conference reimbursements which increase with longevity.
- CME credits for department sponsored educational meetings.
- Educational assistance program (currently enrolled students are welcome to apply).

Please note: benefits vary by state and location. Please contact our Department of Clinical Staffing and Recruitment for specific benefits available for any specific position.

NAPA is currently recruiting qualified Graduate and Certified Registered Nurse Anesthetists.

North American  Partners in Anesthesia

Nurse Anesthetists

Make your dream job
a reality

North American  Partners in Anesthesia

NAPA.

Your partner in practice.

NAPA is the leading and most progressive private practice anesthesia group in the country.

We know you. As anesthesia professionals ourselves, we know what's important to you, on and off the job. And whether you're an experienced CRNA or a recent (or soon-to-be) graduate, we can offer you unparalleled flexibility with ongoing opportunities to achieve personal, financial, and professional success.

We're North American Partners in Anesthesia (NAPA). And we're actively recruiting qualified Graduate and Certified Registered Nurse Anesthetists. Let us help you find the job you deserve in the profession you love.

A specialized view. A progressive vision.

At NAPA, we're 100% anesthesiology focused. Owned and operated by anesthesia professionals who understand your needs, our depth of experience, breadth of hospital partners and continued growth provide a unique opportunity for nursing professionals.

We'll work with you to find just the right fit. And we have the size, not to mention the geographic and clinical diversity, to custom-fit a package to meet nearly any CRNA's or GRNA's personal and professional goals.

We can also offer you generous educational reimbursement and stipends, bonuses and insurance coverage – all completely portable should you wish to change jobs within our growing organization.

Specialists in Anesthesia Solutions.

NAPA is the leading and most progressive private practice anesthesia group in the country, currently providing anesthesia services at dozens of hospitals, Ambulatory Surgical Centers and physician office sites across multiple states, and administering a successful chronic pain management program, North American Partners in Pain Management.

Founded in 1986, NAPA has grown to become an industry leading, multi-faceted anesthesia group, demonstrating both the clinical and business acumen to help many of the nation's leading hospitals and skilled clinicians achieve operational and administrative excellence without compromise.
